Subject: DEA Diverstion Investigator Sean O'Brien

Hi Jim & Sharon

Last week I left a message for the D/I Sean O'Brien asking for the status of his visit to Amherst. He called me back yesterday and left a message for me to contact him. I'm passing his cell phone number on so that you can make arrangements for him to visit Amherst as soon as possible. I have previously faxed him copies of the initial application and the survey that needed to be filled out. Please contact him and see when he can inspect Amherst. The initial application control number is W12040751H. Let me know if you need copies or if he sets a date.

His cell phone number is [REDACTED] His office number is 860-257-2634.

Thanks
